Chameleon Cellars

Chameleon Cellars Syrah 2001

North Coast

Winemaking Notes: The grapes for this Syrah come from Pasquale Parenti's four acres situated just over the Napa County line in Green Valley. The proximity of this area to Grizzly Bay allows for warm days with evenings cooled by the maritime breezes which blow regularly in the summertime. Vertical trellising and careful attention to crop load and vine canopy enable this fruit to reach perfect levels of maturity with respect to both sugar and acid.
