Sunset Cellars

Sunset Cellars Twin Creeks Vineyard Barbera 2002

Napa Valley

Winemaking Notes: The main Barbera clone for this wine has small, loose clusters and berries, This is in contrast with much of the Barbera grown in California, which typically has much larger clusters and berries. As a result, the grapes produce deep color and concentrated flavors.

The wine balances ripe, concentrated fruit and a supple texture with the firm acidity characteristic of Barbera. Dark cherry and floral aromas lead to rich, mouth-filling plum, berry and black cherry flavors with hints of spice, and a touch of almond and chocolate.
